

Awning Window

The Urban Plus Awning Window incorporates clean, flat sash profiles within a bold outer frame to deliver a modern aesthetic with excellent strength and performance characteristics.

Available as top-hinged configurations to suit your application, the Urban Plus Awning Window takes a traditional and popular window style and brings it into the 21st century with considered design solutions for screening, operation, drainage and aesthetics. The Urban Plus Awning Window is an ideal choice for high-end architectural applications.
