

Folding Window

The Urban Plus Folding Window delivers seamless operation, classic style and excellent flexibility for residential or commercial applications. Incorporating an innovative bottom rolling mechanism ensuring that even double glazed panels glide effortlessly.

The Urban Plus Folding window can be installed in configurations incorporating glazed low lites. It is ideal for balconies or serveries, including cafes, due to the systems open-in operation capability. Flush bolt rods and stainless steel hinges ensure durability and long-term performance.

Complementary hardware from the Caprio or Caprice range provide the finishing touches for this versatile and stylish window system. A beautiful addition to your home or alfresco area.
